

6.2.1

Strategic Plan and Deployment of Strategic Plan for 2023-24

S.N.	Strategic Plan	Deployment of Strategic Plan
1.	The Ministry of Education's Innovation and Incubation Cell (MOE IIC) has initiated several programs and conducted various activities to support innovation and entrepreneurship. The necessary resources for these initiatives are provided to foster growth and creativity among students."	Students presented their startup plans and were successfully selected to participate in PUPA 2024, a prominent event organized in Hubli.
2.	Developed a robust career services office providing career guidance, resume writing workshops, and interview preparation.	The Computer Science department organized a workshop focused on career service guidance. The workshop aimed to help students understand various career paths, develop job search strategies, and prepare for interviews.
3.	The institution has implemented a comprehensive system to define and assess the Program Outcomes (POs) and Course Outcomes (COs) for all the academic programs.	The institute organized a session on Program Outcomes (POs) and Course Outcomes (COs) attainment to ensure continuous quality improvement in education. Faculty Development Programs (FDP) were conducted to train faculty members in effective methods for achieving and assessing POs and Cos
4.	Expanded the library resources with the latest books, journals, and online databases.	Recent business journals have been purchased to update and expand the library's collection, ensuring students and faculty have access to the latest research and industry trends. New software has been installed to enhance the library's digital resources, facilitating better access to e-books, journals, and online databases for comprehensive academic support.
